

Amendment
USSN 09/744,300

AMENDMENTS TO THE SPECIFICATION

Page 13, fourth full paragraph, please amend as follows:

In a full digital hearing aid the control of the switches may be in accordance with the principles of the amplifier type known as $\Sigma - \Delta$ converter, e.g. as the one described in ~~WO-A-96/17493~~ USP 5,878,146.
